**Subject:** Drug Lab Holiday/Christmas Party

Hi Jill & Jen,

Since we have not heard anything about a floor party, the Drug Lab is planning on having a Xmas Party on Dec 22<sup>nd</sup> @ 11 -1 pm in the Lobby conference room. (only room they had available)

We would like to extend an invite to the Environmental/Lead/CT lab. The details (food, etc) of the party have not been decided.

Please let us know if you would like to participate and I will send a general email to everyone, once finalized.

Thanks.

Annie
